I'll email you when I'm in – may be a few minutes after 9. My husband usually takes care of the morning child care routine, but can't this week, so I'll probably be getting in later than usual.

Thanks

Hi Rob,

The holiday was nice, though busy. We are actually (finally) moving this week, so I am taking Thursday and Friday off. Hope you enjoyed some time off.

I'm available to talk now until 4:30 or so, or anytime tomorrow except for 1:30 to 3.

Thanks,

Stephanie

Stephanie:

Hope you had a good holiday.

A few things that we should discuss:

1. Dec 17 FSWP Meeting - Any comments on the revised 3/2009 FSWP so that we can prepare.
2. Oversight Meetings on the LPR/NB Model for Jan & Feb - scheduling dates
3. Revised RARC Approval Status
4. RM 10.9 Long Term Monitoring Plan - we discussed having a call to resolve differences on 11/14

Let me know when you would like to discuss - I am in meetings on Wed and Thurs this week.

R/

Rob
